EDUCATION

Aug. 1999 - current: Natural Resource Ecology Laboratory, Colorado State University, Fort Collins, USA

- Ph.D. Candidate in the *Graduate Degree Program in Ecology* (Human Ecology).
- Course work and fieldwork completed; G.P.A.: 4.0
- Adviser: Dr. Kathleen A. Galvin (Anthropology Department and NREL)

Jan. - Dec. 1997: Centre for Wildlife Management, University of Pretoria, South Africa

Bsc (Hons) Wildlife Management (*cum laude*); Adviser: Dr. Wouter Van Hoven.

Sep. 1992 – Dec. 1997: Faculdade de Ciências, Universidade de Lisboa, Lisbon, Portugal

Five-year degree in Biology Applied to Animal Resources (*Licenciatura em Biologia Aplicada aos Recursos Animais*) (Final grade: 16/20); Adviser: Dr. Margarida Santos-Reis.

Jun. 1991: Institut Florimont, Geneva, Switzerland

Baccalauréat (Letters and Mathematics) passed with “*Mention Assez Bien*”.

RESEARCH EXPERIENCE

Feb. 2002 – Aug. 2004: International Livestock Research Institute (ILRI), Nairobi, and Amboseli Ecosystem, Kajiado District, Kenya

- Graduate Fellow at ILRI
- Ph.D. field research project in Kajiado District, integrated in the POLEYC (Policy Options for Livestock-based Livelihoods and Ecosystem Integrity) project funded by the Global Livestock – Collaborative Research Support Program (GL-CRSP) of the United States Agency for International Development (USAID)
- Dissertation objectives: 1) to characterize local perceptions of and attitudes towards wildlife; 2) to identify factors determining attitudes, with a focus on land tenure/use, gender, age and socioeconomic and non-monetary (cultural, social, spiritual, aesthetic) factors.

Jun. – Aug. 2000: Kajiado District, Kenya

Field research on the use of natural resources for nutritional and medicinal purposes in Maasai households in Kajiado District (household interviews); Principal Investigator: Dr. Kathleen Galvin (Colorado State University), in collaboration with the District Ministry of Health at Kajiado, Kajiado District, Kenya.

Jan. 97 – Dec. 97: Mabula Game Reserve, Warmbad, Northern Province, South Africa

Research on introduced juvenile African elephant feeding ecology, behavior and impact assessment, with management recommendations. Supervised by Dr. W. Van Hoven, University of Pretoria.

PUBLICATIONS

Refereed

Galvin, K. A., P. K. Thornton, J. Roque de Pinho, J. Sunderland, and R. B. Boone. 2005. Integrated Modeling and its Potential for Resolving Conflicts between Conservation and People in the Rangelands of East Africa. *Human Ecology*. In press.

Non-refereed

Roque de Pinho, J. In progress. "Staying Together": People-wildlife Relationships in the Amboseli Ecosystem, South Eastern Kenya. Ph.D. dissertation, Colorado State University, Fort Collins.

Roque de Pinho, J. 2004. *African Pastoralists: Interactions and Perceptions – An Annotated Bibliography*. Pastoral Livelihoods and Wildlife Conservation Project, International Livestock Research Institute, Nairobi, 69 pp.

Roque de Pinho, J. 2004. "Staying Together": People-Wildlife Relationship in the Amboseli Ecosystem, south eastern Kenya. Research brief for the GL-CRSP (USAID).

Roque de Pinho, J. 2004. "Staying Together": People-Wildlife Relationship in the Amboseli Ecosystem, south eastern Kenya. Report to the GL-CRSP (USAID), 17 pp.

Roque de Pinho, J. 1998. *Ecologia e Comportamento em Elefantes Africanos Juvenís Introduzidos, Mabula Game Reserve, Northern Province, África do Sul*. Graduation project report (*Relatório de estágio profissionalizante em Biologia Aplicada aos Recursos Animais*), Faculdade de Ciências da Universidade de Lisboa, 51 pp.

Roque de Pinho, J. 1997. *An ecological and behavioral study of introduced juvenile African elephants on Mabula Game Reserve, Northern Province, South Africa, with management recommendations*. Bsc (Hons) Wildlife Management research project report, University of Pretoria, 120 pp.

PRESENTATIONS

Roque de Pinho, J. 2006. *Os Maasai de Amboseli e a fauna selvagem: conflito ou harmonia?* Seminar. Organized by the *Departamento de Engenharia Florestal/Centro Ecologia Aplicada Prof. Baeta Neves* at *Instituto Superior de Agronomia*, Lisboa (22/3/06).

Roque de Pinho, J. 2006. *Os Maasai de Amboseli*. Invited lecture presented in the context of the course *Povos e Culturas de África (Licenciatura em Antropologia, 3rd year)* at *Instituto Superior de Ciências Sociais e Políticas*, Lisbon (21/3/06).

Roque de Pinho, J. 2005. *Os Maasai de Amboseli e a sua relação com a fauna selvagem*. Invited lecture presented at the Animal Biology Department, University of Lisbon, Lisbon (15/12/05).

Roque de Pinho, J. 2005. "Staying Together": People-Wildlife Relationship and Perceptions of Primates in the Amboseli Ecosystem. Paper presented at the II Portuguese International Primatology Conference, Lisbon (7-12th Nov. 2005).

Roque de Pinho, J. 2005. *Estética e identidade: o belo entre os Maasai do Quênia*. Invited presentation at *NextArt, Centro de Experiências Artísticas*, Lisbon (23/02/05).

Roque de Pinho, J. 2004. "Staying Together": People-Wildlife Relationship in the Amboseli Ecosystem. Seminar presented at the International Livestock Research Institute, Nairobi (23/07/04).

Roque de Pinho, J. 2003. "Staying Together": People-Wildlife Relationship in the Amboseli Ecosystem. Poster presented at the Tanzania Wildlife Research Institute IV Annual Conference, Arusha (4-6 Dec. 2003).

Roque de Pinho, J. 2002. Changing Attitudes towards Wildlife in the Amboseli Ecosystem. Poster presented at the Global Livestock-CRSP Program Conference, Washington, D.C. (9-12th Oct. 2002).

GRANTS and AWARDS

Sep. 2003 – Sep. 2004: Research Grant, Fundação Calouste Gulbenkian, Portugal.

Jul. 2002: Jim Ellis Graduate Mentorship Program Award, Global Livestock-Collaborative Research Support Program (GL-CRSP), United States Agency for International Development (USAID).

Aug. 1999 – Aug. 2003: PRAXIS XXI Research Grant, Fundação para a Ciência e a Tecnologia, Ministério da Ciência e da Tecnologia, Portugal.

Apr. 1999: Fulbright Student Grant, Luso-American Educational Commission, Portugal.

Jan. 1997: Research support grant: PRODEP II – 3/96, Universidade de Lisboa, Portugal.
