Tuition Description

General English

Using a communicative approach teachers develop English classes to teach **reading, writing, speaking and listening**. This course follows the guidelines set out by the **Common European Framework**.

Courses take place Mon – Friday throughout the year. Tuition includes **15 hours** and all materials. **All levels available**.

Intensive English

The Intensive English course **involves an extra hour** of teaching on top of your General English course, ensuring a rapid improvement in your level.

Courses take place Mon – Friday throughout the year. Tuition includes **20 hours** and all materials.

Combined English General + Business

This course offers each student 15 hours of General English covering reading, writing, speaking and listening. The student then joins another class for an additional 7 ½ hours a week during which the focus is solely on Business English.

Courses take place throughout the year from Monday to Friday. Tuition includes 15 hours General English and 7 ½ hours in a Business English class per week and includes all material.

Combined English General + One to One

This course offers each student 15 hours of General English covering reading, writing, speaking and listening. An additional 5 hours a week are then taught on a one to one basis with a focus on business, legal, nursing, medical, aviation, hotel management, tourism and technology English.

Courses take place throughout the year from Monday to Friday. Tuition includes 15 hours General English and 5 hours one to one lessons per week and includes all material.

Specialised One to One

During specialised lessons our qualified teachers prepare according to the student's request. The school offers a wide range of possibilities, amongst which are Medical, Aviation, Legal and Business English.

One to One

This gives students the opportunity to interact with a teacher on a one to one basis. The teacher can focus his/her attention solely on the needs of the student, targeting weaknesses and focusing on fluency and accuracy.

Can be availed of by the hour or as a weekly package.

IELTS/Pre-Proficiency Course

Is a **9 week course** which runs at the same time as the Proficiency course. This is a **step-up course** which prepares students who are at a lower level to enter the Proficiency course. At the end of the nine weeks an examination will be given to determine students' scores.

Courses take place **four times per year** on a pre-set date. Tuition includes **15 hours** of lesson time and all materials. Students must be at a **high pre-intermediate level**.

IELTS/ Proficiency Course

This is a course aimed at prospective students who wish to obtain an entry qualification to an English speaking university, including the University of Malta. This course is a stepping-stone for overseas students whose first language is not English and who must provide evidence of their level of proficiency in English in order to enroll in either a Foundation Course or at an undergraduate level at an English speaking University.

Courses take place **four times per year** on a pre-set date. Tuition includes **15 hours** of lesson time and all materials. Students must be at a **high intermediate level**.
