Networking

Are you interested in intercultural experiences?

The Summer Academy aims at fostering an intercultural perspective within the field of management theory and developing applied solutions for problems in business and society.

You will have the chance to meet and network with highly recognized experts from the intercultural scene.

All participants will be awarded a certificate. After successfully completing the classes, participants can earn up to six ECTS (optional). This will require a written assignment.

All courses include complementary workshop sessions with theoretical and practical content offered by academic faculty members and trainers who are experts with large experience in international environments.

By participating in the Summer Academy, you will experience intercultural issues first hand by attending practical sessions and learning and reflecting in an intercultural setting.

By combining both theoretical and practical approaches, the Summer Academy's curriculum adds a USP to your CV.

The courses are organized in tracks. You may only choose courses belonging to the same track.

Fees & Registration

You can enrol for one or two weeks. Registration deadline is July 1st. An application form and details about the application process can be found and downloaded at our website www.summeracademy-karlsruhe.org. Your registration will be confirmed after the fee payment is received.

Scholarships

A number of scholarships will be available for participants of the Summer Academy. In 2012, we will be able to award partial scholarships to at least 30 students. Please check our website for more details.

Public Events

Several public lectures will take place in the evenings by highly recognized experts.

Accommodation

We have arranged for several room contingents for participants in Karlsruhe. The offer will be limited to a first-come first-served base.

Voices from 2010 and 2011

"I will always remember the spirit of the people – the group was truly international and enhanced the openness to share knowledge and experience within the group."

Mischa, Germany

"I can't give a single nicest memory at all, the entire thing is the best memory I'll keep in my mind."

Steven, France

"The Summer Academy was a lifetime experience. I wouldn't have been able to participate without the scholarship, thanks AFS and Karlshochschule for this opportunity!"

Josefina, Argentina

"The evening lectures were excellent and added highlights to the Summer Academy."

Natalia, Argentina

"I am very grateful for having been at this amazing Summer Academy – it would not have been possible for me without the scholarship."

Ieva, Lithuania

"I really enjoyed the great combination of theoretical and practical parts which enabled me to have the opportunity to practice what I learned. And, of course, I really appreciate the positive attitude of participants and staff."

Jason, Malaysia

"I used the earned 6 ECTS to complete my elective courses at university. Thus, the Summer Academy offered me an exciting and worthwhile addition to the standard curriculum of my university and gave me a head start to my master studies."

Uta, Germany
