

## The IGLP Work Shop- Harvard Law School

IGLP: THE WORKSHOP is designed for **doctoral** and **post-doctoral scholars**, and is an intensive ten day residential program that aims to promote innovative ideas and alternative approaches to issues of global law, economic policy and social justice in the aftermath of the economic crisis. **PROGRAM DATES: MAY 30-JUNE 8, 2012**

Applicants should complete the application online at:  
<http://www.jotform.com/form/12482740296>

### PROGRAM OBJECTIVES

- As in 2010 and 2011, the Workshop will be focused around a series of Substantive Streams. Exploration of each Stream will be led by a team of senior scholars and is designed to promote discussion of recently scholarly trends and classical texts.
- Our common goal is to understand the history and structure of our contemporary world political and economic system and to map the legal structure of money, finance, development and governance, and to open them up to contestation and debate.
- Afternoon Writing Workshops will offer participants the opportunity to share their own work in progress with colleagues and leading scholars in their field.

# BIARI Brown International Advanced Research Institutes- Brown University

The BIARI program, designed for **young scholars embarking on lives in research and teaching**, is a major faculty development initiative that addresses the canonical and cutting-edge questions of the field, contributing to building the next generation of transnational academic community. **PROGRAM DATES: JUNE 2012**

## PROGRAM OBJECTIVES

- Innovative Research- The BIARI program aims to make a significant contribution to global research through transnational academic collaboration, promoting Brown's vision of the global university.
- New Vectors of Global Exchange-The objective is to provide a platform for promising young faculty from the global south and emerging economies to engage in a high level and sustained intellectual and policy dialogue with leading scholars in their fields and each other.
- Sustainable Network Building- using the Virtual Academic Network (V.A.N) a custom-built online organizing tool designed to facilitate academic exchange before, during and beyond BIARI's residential component.
- Each institute is organized as a mix of lectures, round table discussions, group work, field trips, cultural events and social interactions. Each is led by a team of distinguished Brown faculty who have invited world-renowned lecturers and speakers to join and participate in the Institute's formal and informal activities.

## Trendlab on Sustainability- UPenn

GLOBALIZATION TRENDLAB 2012

# Sustainability:

## New Perspectives and Opportunities

Applicants should complete the application online at:

<http://www.regonline.com/register/checkin.aspx?eventid=1012385>

### PROGRAM OBJECTIVES

- Topic will be sustainability, broadly defined to include all efforts directed at ensuring that the satisfaction of present needs does not come at the expense of satisfying needs in the future.
- The workshop and conference will address issues such as: *Sustainability and Environmental Challenge*, and the prospects of technological breakthroughs.
- *Sustenance and Sustainability*, including the management of the global supply of food and water, the growth of green products and services, and the impact of behavioral aspects on the consumption of scarce resources.
- *Sustainable Business Practices*, looking at the role companies and financial institutions play in attaining sustainability and the challenge of generating social and political support for new projects.
- *Governance for Sustainability*, including the design and implementation of policy solutions to encourage sustainable business practices and the strengthening of global governance.

UPenn's Trendlab on Sustainability is the 5-day workshop and conference from faculty and researchers designed to bring together a group of **scholars** and **policy makers** with backgrounds in science, engineering, management, and the social sciences so that the key issues in the field can be thoroughly analyzed from an inter-disciplinary perspective and outlines of solutions to key global problems can be produced.

**PROGRAM DATES:** APRIL 9-13 2012.
